Demographics

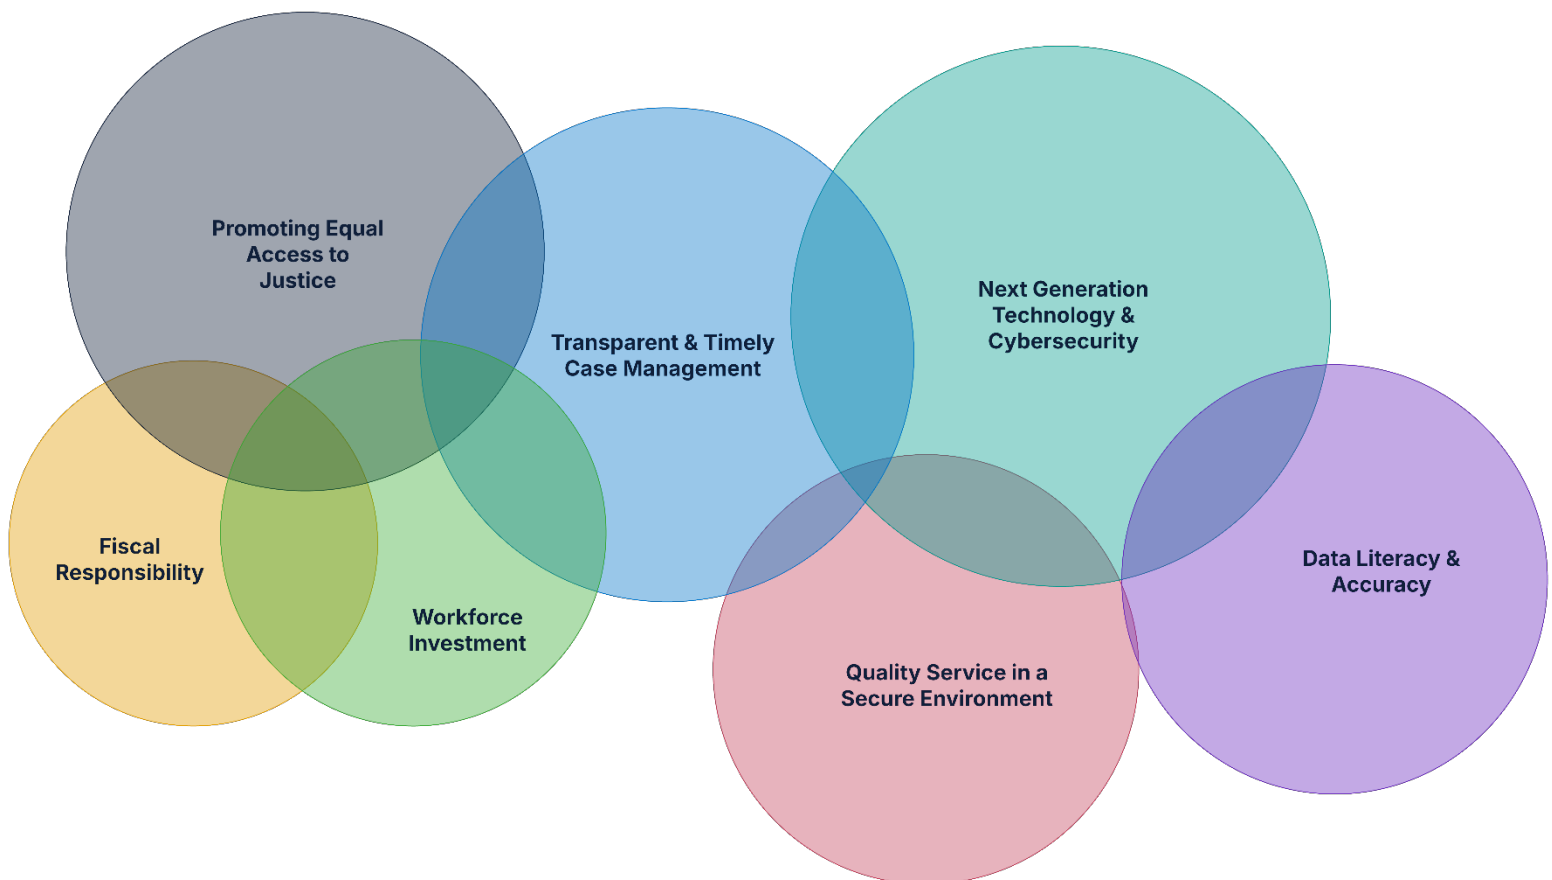

Madera County is a diverse community with an estimated population of 160,000. Madera County continues in an upward growth trend, which will impact the Court's future workload. This Plan is a continuation of efforts to place the Court in an advantageous and proactive position to address this growth and serve all, regardless of an individual's protected category or their primary spoken language.

The Strategic Plan (Plan) of the Madera Superior Court (Court) was developed considering the purpose of California's Judicial Branch of Government and the mission of the Judicial Council of California, and sets forth a meaningful and attainable methodology to provide equitable and service-oriented access to justice.

The Plan contains seven (7) strategic initiatives that are important to the execution of the Court's Mission and Vision Statements, which follow:

The Mission of the Madera Superior Court is to ensure equal and fair access to all in the judicial system and to provide public service in an efficient and impartial manner.

The Vision of the Madera Superior Court is to consistently provide transparent and equitable service by embracing the following core values: trustworthiness, respect, responsibility, fairness, caring, and civic education.
