**2.5.1 Unlawful Detainer Proceedings.** The following policy shall apply to all unlawful detainer proceedings.

- (a) Where plaintiff seeks eviction, for failure to pay rent, a three-day notice to quit or pay rent clearly showing the amount presently owed must be served on the defendant at least three (3) days prior to the filing of the case. In the case of a 30-day notice of termination of tenancy, the notice must be served on the defendant at least thirty (30) days prior to the filing of the case.
- (b) The original or a copy of the three-day notice to quit or 30 day notice of termination of tenancy must be served and filed in accordance with California Code of Civil Procedure § 1166.

(c) Service of the three-day notice or 30 day notice can be made by the plaintiff or by a person other than the plaintiff or by a person 18 years of age or older acting as plaintiff's agent.

(d) Service by the sheriff can be made under the provisions of Code of Civil Procedure § 1162(a)(3), which provides for posting on the property and mailing of a copy to the defendant when defendant cannot be served personally. Plaintiff (or plaintiff's agent) must file a declaration which shows what efforts have been made to serve the defendant at his residence or place of business, or by substituted service, that the efforts were not successful, and why the defendant cannot be served at any other location or other means likely to give defendant actual notice.

(e) Where plaintiff seeks to set a case for trial, the clerk is authorized to reject filings that do not comply with Section 1 on Judicial Council Form UD-150, as indicated.

(Effective 7/1/08, amended 1/1/10, 1/1/25, 7/1/25)

## **Chapter 6 Small Claims Appeals.**

2.6.1 Hearing Dates for Small Claims Appeals. Small claims appeals under Code of Civil Procedure § 116.770 shall be treated as short cause trials. (Effective 7/1/08)

## **Chapter 7 Telephone Hearings in Selected Departments Using CourtCall System.**

2.7.1 Establishment of CourtCall System. Departments 17, 37, 40, 44, and 45 of the Superior Court are equipped with speaker phones for telephonic hearings of law and motion matters. Counsel should confer with the clerks of other Departments to determine if CourtCall is available. (Effective 7/1/08, amended 1/1/16, 7/1/19)

2.7.2 Definitions. For the purposes of this chapter,

(a) “Law and Motion matters” shall be defined as those hearings on the civil or probate law and motion or case management calendar in which:

- (1) The length of the hearing will not exceed 15 minutes; and
- (2) No oral testimony will be introduced; and
- (3) The Court has not ordered the party or counsel to be present;

and

- (4) No party will be requesting a transcript of the hearing in any circumstances.

The term “Law and motion matters” shall not mean any hearing on a criminal proceeding, any civil proceeding under Penal Code §§ 1368 or 1026, any hearing under Welfare and Institutions Code §§ 3051, *et seq.* or § 6600, *et seq.*, any adoption proceeding, any habeas corpus proceeding, or any proceeding under

the Juvenile Court Law.

(b) "Participating department" shall include Department 17, 37, 40, 44, and 45 of the Superior Court, or a special department utilizing the facilities of a courtroom of Superior Court Departments 17, 37, 40, 44, and 45 under authorization of the Presiding Judge or the Court Executive Officer.

(c) "Program Administrator" means CourtCall™ LLC. All questions concerning participating courtrooms, toll free and access numbers, obtaining forms or general information shall be directed to CourtCall at 888-88COURT (888-882-6878).

(d) "Litigants" means all counsel or litigants representing themselves in a case.

(e) "Toll Free Number" means such toll-free telephone number assigned by the Program Administrator to the specific department for the purpose of calling in on case conference calls.

(f) "Toll Free Fax Number" means 888-88FAXIN (888-883-2946) or such other or additional number assigned by the Program Administrator and/or such additional or other number assigned by the Program Administrator. This number shall be provided to all litigants.

(g) "Court Day" means a day the Court is open to the public and court is in session.

(h) "Form" means a form entitled "Request for CourtCall Telephonic Appearance" which on its face shall contain the caption of the case, the date, time, department and type of hearing, motion or other matter which is to be heard, and the words COURTCALL TELEPHONIC APPEARANCE in upper case bold print. This form will be provided by the Program Administrator on request of a litigant.

(i) Calling Procedures. Each participating department shall have a speaker phone which will use the toll-free telephone number described above and an identification number, which shall be used solely for the purpose of conducting hearings by conference call through the Program Administrator.

(Effective 7/1/08, amended 1/1/13, 7/1/19, part (g) amended 7/1/2020)

2.7.3 Telephone Hearing Calendars. The Calendar Clerk shall prepare a separate telephonic appearance calendar for each matter in which a telephonic appearance

will be made. Telephonic hearings will be held during the law and motion calendar for each department. The Calendar Clerk shall segregate or distinctively identify each case which will be heard by telephonic hearing. (Effective 7/1/08, amended 1/1/13)

2.7.4 Telephonic Appearance and Service of Form. Not less than five (5) court days before the hearing, a litigant desiring to appear by telephone shall complete the Form and serve copies on all other litigants. The original shall not be filed with the Court. Additionally, when the request is made at the same time as the filing of a motion or response with the Court, the words "COURTCALL™ TELEPHONE APPEARANCE. REQUESTED" should be printed below the date, department and time of the hearing on the first page of the papers which are filed with the Court. RETAIN THE ORIGINAL FORM IN YOUR FILE. DO NOT FILE IT WITH THE COURT. (Effective 7/1/08)

2.7.5 Notice by Fax to Program Administrator. Any litigant seeking a telephonic appearance must fax a copy of the first page of the Form to the Program Administrator not less than, five (5) court days prior to the hearing. Failure to advise the Program Administrator will result in the telephone appearance being dropped from the Telephone Appearance Calendar. (Effective 7/1/08)

2.7.6 Payment of Fee to Program Administrator. The litigant must accompany the Form with payment of a non-refundable, non-waivable telephone appearance fee, consistent with the fee schedule listed in California Rules of Court, rule 3.670, subdivision (k). This fee is paid to the Program Administrator and not to the Court. This fee covers all of the costs of litigant's participation in the telephonic hearing and no other telephone or separate teleconference charge shall be assessed against the litigant. This payment is separate from, and in addition to, any filing fees which may be required to be paid to the Clerk of the Court in connection with the subject hearing or proceeding. (Effective 7/1/08, amended 1/1/20)

2.7.7 Method of Payment and Confirmation. Payment to the Program Administrator may be made by credit card or check.

(a) Credit Card Payment. Litigants using credit card payments shall complete the credit card information on the copy of the Form which is faxed to the Program Administrator (and not on the copies faxed to other litigants). This information must include the signature of the person whose name is on the credit card.

(b) Payment by Check. Checks must be received by the Program Administrator not less than five (5) court days prior to the hearing. Late payments will be rejected by the Program Administrator and the request for telephonic

hearing will be deemed denied.

(c) Proof of Payment/Calendar Confirmation. Upon receipt of payment a copy of the Form which has been stamped “Calendar Status Confirmed” will be faxed to the litigant not less than three (3) court days prior to the hearing. If the litigant does not receive a faxed calendar confirmation, it is the litigant’s responsibility to call the Program Administrator immediately to obtain such confirmation.

(Effective 7/1/08)

**2.7.8 Conducting the Telephonic Hearing.** For the five (5) minute period prior to the scheduled telephonic hearing, all litigants who have received a confirmation from the Program Administrator shall call the dedicated toll free number assigned to the particular court by the Program Administrator. The Court Clerk for the department shall join the conference call, and each of the litigants shall, in an orderly fashion, check in with the Clerk by responding when the Clerk calls the name of his or her case, spelling his or her name, the name of the law firm he or she represents and the name of the party or parties he or she is representing. A litigant calling in after check-in period has begun who does not hear his or her case shall wait until the check in calendar has been called, and shall then announce to the Clerk his or her appearance. Anyone failing to have called in during the five (5) minute check-in period shall be deemed to have failed to appear timely and that failure may be treated by the Court in the same manner as if that party had failed to make a timely personal appearance. Except as ordered by the Court, there shall be no “second call” in the administration of telephonic hearings. In the instance of a litigant who calls in “late” and interrupts a telephonic hearing in progress, the Court may issue such sanctions under Code of Civil Procedure § 177.5 as the Court may deem appropriate. The Court expects that each litigant should have easy access to a phone in a timely manner. (Effective 7/1/08, amended 1/1/13)

## **Chapter 8 Settlement Conferences.**

**2.8.1 Settlement Conference.** The settlement conference calendar is designed to facilitate the settlement of cases, particularly personal injury cases, before trial. Therefore, all parties and attorneys participating therein will be expected to comply fully with the provisions of this Division. (Effective 7/1/08)

### **2.8.2 Types of Settlement Conferences.**

(a) Voluntary Settlement Calendar. The Calendar Clerk shall set any long cause case on a Voluntary Settlement Calendar (Panel or Judge) at the request of any party or the Court’s own motion. If any party objects to such setting,

the objecting party shall file an objection to same within five (5) days of notice of same. Said objection will then be set for hearing before the civil law and motion judge on a date selected by the Clerk of the Court.

(b) Mandatory Settlement Calendar. The Calendar Clerk shall set a Mandatory Settlement Conference within the time frame of California Rule of Court 3.1380.

(Effective 7/1/08)

2.8.3 Persons Whose Presence is Required. Plaintiffs, trial counsel, insurance company representatives, and defendants in cases other than personal injury cases where there is insurance coverage, must be present. In medical malpractice cases where doctor or hospital consent to settlement is required, those parties must also be present or have given their open consent to the insurance company for settlement. (Effective 7/1/08)

2.8.4 Settlement Conference Statement. No less than five (5) court days before the settlement conference, each party shall have delivered to the Calendar Clerk a settlement statement. The statements will be deemed confidential unless service on the other parties appears on the brief. The statements shall contain the information required by California Rule of Court, rule 3.1380. The statements will be maintained in a confidential portion of the electronic file for 180 days after the conference and will thereafter be destroyed without further notice unless otherwise ordered by the court. (Effective 7/1/08, amended 1/1/13, 1/1/26)

2.8.5 Discovery. Discovery should be completed by the time of the Settlement Conference. The Court recognizes that many times counsel or self-represented litigant will have reserved some discovery pending the outcome of the settlement conference. However, if the Court determines that discovery is not substantially completed, and this will have a significant influence on the settlement, the Settlement Calendar Judge may either take the case off calendar and strike the At Issue Memorandum, or refer the matter to the Presiding Judge for such action as he or she deems appropriate. (Effective 7/1/08, amended 1/1/13, 7/1/20)

2.8.6 Demands and Offers. Counsel and the interested parties shall be prepared to state their best demand and offer at the settlement conference. If the Court later determines that a significantly different demand or offer is made in the case that results in later settlement, the Court may assess sanctions against the offending party and/or counsel. (Effective 7/1/08)

2.8.7 Failure to Attend or be Prepared. Unexcused absence from the conference may result in sanctions and/or removal of the case from the active list and/or

striking of pleadings, and/or default proceedings and/or dismissal of the case. Failure to be prepared may result in sanctions and/or removal of the case from the active list. (Effective 7/1/08)

2.8.8 Continuances. Continuances or further conference on a continued date may be granted or denied within the discretion of the particular Settlement Conference Judge. (Effective 7/1/08)

2.8.9 Notice of Settlement. As required by California Rule of Court 3.1385, plaintiff's counsel or plaintiff appearing in propria persona must immediately file a written notice of the settlement or other disposition with the Court and otherwise comply with provisions of Rule 3.1385. The plaintiff must file a request for dismissal within 45 days after the date of settlement. If the plaintiff does not file the request for dismissal, the Court must dismiss the case 45 days after it receives notice of settlement unless good cause is shown why the case should not be dismissed. (Effective 7/1/08)

2.8.10 Arbitration. The Court encourages arbitration. The Court provides such arbitration proceedings in accordance with the California Rules of Court. The Court can also arrange private arbitration or case determination through retired judges. (Effective 7/1/08)

2.8.11 Arbitration Administrator. The Presiding Judge shall appoint an Arbitration Administrator (presently the Judicial Secretary). The Arbitration Administrator's duties shall be to administer the arbitration procedure, select the arbitrators for the cases on the arbitration hearing list, and generally be responsible for operating the program including calendaring and establishing a filing system for all papers and records filed in arbitration matters. (Effective 7/1/08)

2.8.12 Arbitration Panel. The Arbitration Administrator shall maintain a panel of arbitrators which shall be composed of members of the State Bar of California and retired judges of courts of record. When a case is referred for arbitration, the Arbitration Administrator shall select from the panel not less than three (3) names and serve a copy of this list on each party or counsel appearing. Each party shall have the right to disqualify one (1) arbitrator peremptorily. Any such disqualification shall be exercised not later than ten (10) days from the date the list was mailed to the parties or their counsel. Said disqualifications shall be filed with the Arbitration Administrator. Failure to exercise a disqualification within the time limit provided shall cause the right to disqualify to lapse. Additionally, an arbitrator may be disqualified for any reason for which a judge could be disqualified under Code of Civil Procedure § 170.1. If any member of the arbitrator's law firm would be disqualified under Code of Civil Procedure § 170.1(a)(2), the arbitrator shall be disqualified. (Effective 7/1/08)

2.8.13 Arbitration Fees. The parties shall equally share the cost of arbitration and submit their share of the cost at the conclusion of arbitration. (Effective 7/1/08)

## **Chapter 9 Settlement Conference Setting.**

2.9.1 Pretrial Matters. All pretrial matters shall be set in the appropriate department by the Calendar Clerk at such time as may be directed by the Presiding Judge. (Effective 7/1/08)

### **2.9.2 Setting Procedure**

(a) Short Cause. The Court may order, upon the stipulation of all parties or the Court's own motion, that a case is a short cause case exempted from the requirements of case management review and set the case for trial, in accordance with and subject to the provisions of Rule 3.735 of the California Rules of Court. A counsel or self-represented litigant who did not participate in the selection of a short cause trial date shall be entitled to one continuance of right, by stipulation or motion.

(b) Settlement Conference. The Court shall maintain a settlement conference calendar pursuant to Rule 3.1380 of the California Rules of Court. The Calendar Clerk shall send all parties to the case a notice to attend a settlement conference with the notice of trial.

(c) Setting Civil Matters for Trial. The Court shall maintain a case management conference calendar pursuant to Rule 3.722 of the California Rules of Court. Dates for trials shall be set forth in the Case Management Conference Order issued by the Court as set forth in Rule 3.728.

(Effective 7/1/08, sections (a) and (c) amended 1/1/13)

2.9.3 Duty of Counsel as to Trial Date Assigned. After a trial date has been assigned, it shall be the duty of counsel or party (if self-represented) to inform the Presiding Judge and all opposing counsel or party (if self-represented) of any fact tending to indicate that the case may not proceed to trial on the date to which it has been assigned. In the event of settlement, counsel, or parties appearing in person, shall immediately notify the Court thereof. Failure to do so may be cause for imposition of sanctions. (Effective 7/1/08, amended 1/1/13)

2.9.4 Uncontested Calendars. All uncontested matters such as adoptions, minor's compromise, dissolutions, nullities, and legal separations, etc., will be set by request made to the Clerk. (Effective 7/1/08)

## **Chapter 10 Continuance Policy.**

**2.10.1 Statement of Policy re Continuances.** This Court practices a firm continuance policy. Counsel or party (if self-represented) should be aware that the dates assigned for settlement conferences and trials are definite appointments with the Court. All continuances, contested or not, are to be applied for by noticed motion with supporting declarations. Continuances applied for in any other manner will be denied, except in emergencies. Motions for the continuance of the settlement conference and trial shall be made to the Department to which the case has been assigned for all purposes, or, if the case has not been assigned to a Department for all purposes, then to the Supervising Judge of the Probate - Civil Division. Motions for the continuance of the mandatory settlement conference shall be made to the Judge to whom the mandatory settlement conference has been assigned and shall be granted only if the continuance would not delay the trial of the action nor disrupt the calendar of the Judge to whom the settlement conference has been assigned. The Court will grant continuances only upon an affirmative showing of good cause. Grounds which the Court will recognize as good cause for continuance will be:

**(a) Death**

(1) The death of the trial attorney or an essential witness where, because of the proximity of such death to the date of trial, it is not feasible to substitute another attorney or witness.

(2) The death of an expert witness where, because of the proximity of the death to the date of trial, there has been no reasonable opportunity for a substitute expert witness to become qualified to testify in the case.

(3) The death of any other witness only where it is not possible to obtain another witness to testify to the same facts or where, because of the proximity of the death to the date of trial, there has been no reasonable opportunity to obtain such a substitute witness.

**(b) Illness.** An illness (supported by an appropriate declaration of a medical doctor, stating the nature of the illness and the anticipated period of any incapacity).

(1) The illness of a party or essential witness, except that, when it is anticipated the incapacity of such party or witness will continue for an extended period, the continuance will be granted on condition of taking the deposition of the party or witness in order that the trial may proceed on the

next date set.

(2) The illness of the trial attorney or of an expert witness, except that the substitution of another attorney or witness will be considered in lieu of a continuance depending on the proximity of the illness to the date of trial, the anticipated duration of the incapacity, the complexity of the case, and the availability of a substitute attorney or expert witness.

(3) The illness of any other witness only where it is not possible to obtain another witness to testify to the same facts or where, because of the proximity of the illness to trial, there has been no reasonable opportunity to obtain such a substitute witness.

(c) Unavailability of trial attorney or witness.

(1) The unavailability of the trial attorney when he or she is engaged in the trial of another case if: (a) at the time such attorney accepted the trial date in this case the attorney could not have reasonably anticipated the conflict in trial date; and (b) the Court was informed and made a finding on motion made at least thirty (30) days before the date set for trial that the case was assigned for trial to this attorney within a particular law firm and that no other attorney in that firm was capable and available to try the case and was or could be prepared to do so.

(2) The unavailability of a witness is only where the witness has been subpoenaed, or is beyond the reach of subpoena and has agreed to be present, and his or her absence is due to an unavoidable emergency about which counsel did not know, and could not reasonably have known, at the time of the conference.

(d) Substitution of Trial Attorney. The substitution of the trial attorney only where there is an affirmative showing that the substitution is required in the interest of justice.

(e) Change in Status. A significant change in the status of the case where, because of a change in the parties or pleadings ordered by the Court, the case is not ready for trial.

(f) Continuation Fee. The Court, at its discretion, may impose a \$20 continuance fee for the continuance of any matter on the Court's calendar. The fee shall be payable to the Court by the party upon whose behalf a continuance of the hearing date was requested. The fee shall be paid prior to the entry of

judgment or dismissal of the matter.

(Effective 7/1/08, amended 1/1/15)

**2.10.2 Civil Cases-Further Statement of Policy.** In order to effect and preserve the maximum efficiency of the Court in reducing congestion and delay in the trial of cases, the Court will enforce a strict policy of requiring mandatory settlement conferences, trial assignments, and trials to proceed as calendared in the absence of good cause shown for a continuance thereof. Any request for a continuance of settlement conference, trial assignment or trial date shall be made in the form of a noticed hearing before the Presiding Judge or such other Judge as he or she may designate. No stipulation for a continuance of such dates shall be accepted without the express consent of the Presiding Judge or such other Judge as the Presiding Judge may from time to time designate. Any request for a continuance of a mandatory settlement conference shall be made to the Judge to whom the settlement conference has been assigned, and it shall be granted only if (a) the continuance would not delay the trial of the action, and (b) the continuance would not disrupt the calendar of the Judge to whom the settlement conference has been assigned. (Effective 7/1/08)

**2.10.3 Civil Cases, Law and Motion and Voluntary Settlement Conference Policy.** It is the policy of the Court to cooperate with Counsel or self-represented party regarding continuances of law and motion matters and settlement conferences to the extent possible. This policy is necessarily limited by certain obvious practical considerations. For example, the Judges assigned to the law and motion calendars are provided with the file, including the points and authorities filed by the respective parties, and the research statement, well in advance of the date set for hearing, for the purpose of enabling them to familiarize themselves with the matters raised and the applicable law, and to conduct independent research well in advance of the hearing. The grant of a last-minute continuance is generally inappropriate in that it requires a duplication of effort on the part of the Judge and tends to deprive other litigants of timely access to the courts. Similarly, the Judges assigned to settlement conferences receive the files, including, all discovery theretofore filed with the Court. The Judges read and analyze the entire file and all discovery well in advance of the settlement conference date. (Effective 7/1/08)

**2.10.4 Law and Motion and Voluntary Settlement Conference Continuances.** Continuances may be granted in law and motion and voluntary settlement conference matters unless (a) such continuance would disrupt the calendar of the department to which such matter has been assigned, or (b) such continuance would tend to delay the trial of the action. (Effective 7/1/08)

**2.10.5 Family Law Defaults, Orders to Show Cause, Change of Names and**

Adoption Continuances. The Calendar Clerk may grant continuances in the above types of proceedings as follows:

(a) Each party may obtain one continuance to a date within forty-five (45) days of the original date set for hearing without the consent of the Court. Litigants requesting such continuances will have the responsibility to make such requests in writing and state their reasons.

(b) Continuances may also be granted on written stipulation of the parties. The counsel or self-represented party seeking the continuance or Calendar Clerk is responsible for providing all parties to the action with written notice of continuances.

(c) No request for continuance, except by stipulation, will be granted if not received in writing five (5) calendar days prior to the date set for hearing.

(Effective 7/1/08)

## **Chapter 11 Fax Filing.**

2.11.1 Payment of Fees. Fees for papers delivered to the Court via facsimile filing shall be remitted within three (3) days after the fax filing is completed by payment to the Clerk. If a party or counsel fails to pay the fee within the required time, the pleading shall be stricken on the Court's own motion after notice to the parties of record. (Effective 7/1/08, renumbered effective 1/1/10, amended 7/1/11)

## **Chapter 12 Civil Active List and Conference Setting in Departments 37, 40, 44, 45.**

2.12.1 Setting Procedures. The Court shall maintain a case management conference calendar and follow the setting requirements set forth in Rules 3.721-3.735 of the California Rules of Court. (Effective 7/1/08, rule and chapter heading amended 1/1/13)

2.12.2 Short Cause. Each short cause shall be set for trial and be exempt from any requirement of a settlement conference. (Effective 7/1/08)

## **DIVISION 3 CIVIL RULES**

### **Chapter 1 General Provisions.**

3.1.1 Initial Filing. Except as otherwise prescribed by law or these rules, all notices of motion, demurrers and orders to show cause must be served and filed in accordance with Code of Civil Procedure § 1005 unless an order shortening time has been granted by the Judge hearing the matter. Such order shortening time should be included in the order setting the hearing. Proper returns and proofs of service for all notices of motion, demurrers, and orders to show cause must be filed with the Clerk not later than 4:00 p.m. on the fourth court day preceding the scheduled hearing. 3.1.3 Notice. When a shorter period of notice is required by Rules of Practice and Procedure as adopted by the Judicial Council and the Supreme Court, or otherwise provided by law, the opposition documents must be filed no later than one (1) court day preceding the date of hearing. (Effective 7/1/08)

3.1.4 Accompanying Memoranda. All demurrers and motions must be accompanied by a memorandum of points and authorities. A mere citing of code sections which authorize the filing of a demurrer or motion will not be sufficient unless this section is waived by the law and motion judge. (Effective 7/1/08)

researchattorney@madera.courts.ca.gov.

(d) Parties who have obtained a fee waiver are exempt from this provision.

(e) The failure to comply with parts (a) – (c) of this section will not prevent the papers from being accepted for filing, but parties are required to comply with this section as soon thereafter as practical.

(f) The Court may, in its discretion, relieve a party from its duties under this section.

(Effective 1/1/10, amended 1/1/13)

**3.1.6 Filing Form for Motions.** Unless otherwise specifically prescribed by law, all motions made in a law and motion department, except those for continuances made in open court, must be presented in writing. (Effective 7/1/08, renumbered 1/1/10, amended 1/1/13)

## **Chapter 2 Calendaring Matters.**

**3.2.1 Motion Date.** No motion shall be scheduled or noticed for hearing (except ex parte hearings) without first contacting the Calendar Clerk to request a date for hearing. (Effective 7/1/08)

**3.2.2 Improper Calendaring.** Should any matter be improperly noticed, the Clerk shall refer it to the civil law and motion Judge for disposition or instructions. Such instructions may, in the discretion of the Judge, include returning the document without filing. (Effective 7/1/08)

**3.2.3 Time.** The calendar in the law and motion department shall be called at 8:30 a.m. each court day. This hour may be changed from time to time by the Judge hearing the law and motion matter, or the Presiding Judge. (Effective 7/1/08)

**3.2.4 Continuances.** In case any party intends to ask for a continuance or does not intend to proceed in any matter on the date set, that party shall so inform the Court Clerk and opposing counsel or self-represented party as soon as possible, and, in any event, no later than 4:30 p.m. of the second court day preceding hearing. The Judge hearing the matter shall have complete discretion to rule or to take the matter off calendar at any time despite the agreement of counsel or self-represented party to the contrary. (Effective 7/1/08, amended 1/1/13)

3.2.5 Motion Removed from Calendar. A law and motion matter that has gone off calendar may be restored thereto only upon notice except in an extraordinary situation to be determined by the Court in its discretion. (Effective 7/1/08)

3.2.6 Motions in Limine. Any motions in limine shall be filed no later than 10 court days before the first day of trial. Any oppositions to such motions shall be filed no later than five (5) court days before the first day of trial. The Court shall have the discretion to refuse to consider any late-filed papers subject to this rule. The parties may agree to set different deadlines for the motions and oppositions, subject to the approval of the trial judge. Such an agreement may be put on the record at any status conference, without the need for a noticed motion or ex parte application, but in any event the agreement must be made no later than the date scheduled for the mandatory settlement conference for that case. (Effective 7/1/12)

### **Chapter 3 Miscellaneous Law and Motion Department Matters.**

3.3.1 Objections to Discovery. Objections to requests for admissions or to interrogatories shall identify and quote the request for admission or the interrogatory immediately preceding the objection. (Effective 7/1/08)

#### **3.3.2 Orders and Judgments.**

(a) Minute Orders. Normally, the minute order granting, denying, sustaining, overruling, or ordering the motion off calendar, will be all that is required, and no signed order is necessary.

(b) Judgment Forms. Counsel or self-represented party must prepare, serve, and present to the court forms for all orders and judgments which require the Court's signature. If no objection is forthcoming within ten (10) days, the order or judgment will be signed as presented.

(c) Failure to Object. Failure to serve and file written opposition may be deemed a waiver of any objections and an admission that the motion or demurrer is meritorious.

(d) Captions. Captions in orders, decrees, and judgments must refer to all matters covered by the order, decree or judgment, and shall affirmatively state the result or relief.

(e) Responsibility for Notice of Ruling. In addition to the requirements of

California Code of Civil Procedure § 472d, notice of the Court's ruling in all law and motion matters shall be deemed waived by all parties present unless a request is expressly made that notice be required or unless there are parties to the matter who are not present. In such instances, the prevailing party shall give notice unless otherwise ordered by the Court. Failure of the party so ordered to provide the notice of ruling to the Court for its signature within ten (10) court days of the ruling may be grounds for sanctions.

(Effective 7/1/08, parts (a) & (e) amended 1/1/10, part (b) amended 1/1/13)

(Effective 7/1/08, amended 1/1/13)

**5.1.14 Counsel's Duty.** If an attorney is unable to be present at the time of the call of the case on calendar he or she must, prior to the call, inform the courtroom Clerk of that department of the reason for and extent of such delay. Whether payments are to be made by one (1) party on community obligations prior to trial, or whether those payments shall be reimbursable to that party prior to an equal division of the community property at trial, or whether such payments shall be considered as support shall be set out in the stipulation. In cases in which it is anticipated that custody and division of assets will be contested, counsel or self-represented party is requested to seek a bifurcation of those issues for trial.

**Caveat:** Counsel and/or self-represented party should always bear in mind that what is in the best interests of the children is of paramount importance and that

Counsel and self-represented parties are urged to consider stipulating that a single appraiser may make an appraisal and that the results of such appraisal shall be admissible in written form thereby waiving the right of cross-examination. The Court may on its own motion appoint an appraiser at the expense of the parties, to assist in determining value. (Effective 7/1/08, amended 1/1/13)

Unless special circumstances exist, if the children of the parties are receiving public assistance, child support should be paid through and enforced by the Department of Child Support Services. (Effective 7/1/08, amended 1/1/13, 1/1/15, 7/1/19, 7/1/25)

**5.1.24 Computer Printouts as Basis for Support Calculation.** Counsel or self-represented party may submit printouts from Xspouse or other computer software which have been approved pursuant to Family Code § 3830 as the basis for their calculation of child or spousal support without submitting expert testimony or evidence as to the accuracy of such a program. (Effective 7/1/08, amended 1/1/13, 7/1/25)

**5.1.25 Charges for Child Custody Evaluation and Investigation.** The Court determines that child custody evaluation is "visitation work," for which the costs may be charged under Family Code § 3112. (Effective 7/1/08, amended 1/1/13)

**5.1.26 Family Court Services Child Custody Recommending Counseling/Mediation Policies and Charges.**

If either party does not contact Family Court Services at least ten (10) Court days prior to the scheduled hearing to review the Family Court Services report, a memorandum to the Court will be issued. If a party contacts Family Court Services after the time that the memorandum is issued, they will be asked to return upon re-referral by the Court. For each subsequent Child Custody Recommending Counseling/Mediation, the Family Court Services

division of the Court shall collect a charge of \$100.00 per parent. This charge may increase from time to time by Policy Memorandum. For each child interview conducted by Family Court Services there shall be a \$100.00 fee collected from each parent prior to the interview. Parties shall pay all fees at the time of their appointment with Family Court Services, unless they have a valid fee waiver on file. Nonpayment of fees may result in appointment cancellation.

(c) Family Court Services child custody recommending counseling/mediation services are ordered by the Court. A scheduled mediation appointment shall only be cancelled in the event that the Court orders the matter off calendar or otherwise vacates the referral to Family Court Services, one or both parties do not attend (in which cases fees noted in section (b) shall apply), or if both parties stipulate to the appointment cancellation AND the parties have filed their stipulation prior to the date of the appointment with Family Court Services.

The request and Income and Expense Declaration shall be filed not less than twenty (20) days before either the scheduled Child Custody Evaluation or the first interview on the investigation or evaluation. The Court shall review the application, and grant or deny the application within five (5) Court days

of the filing of the request. Failure to file a complete Income and Expense Declaration shall be sufficient grounds for denial of the application. The Court may grant the application as to part of the charge, or all of the charge. (Effective 7/1/08, amended 1/1/13)

**5.1.29 Waivers of Court Charges and Costs.** Parties who have filed an Application for Waiver of Court Fees and Costs who seek to have the charge imposed for any Family Court Services Fees waived, must submit a supplemental application under California Rules of Court 3.52. The parties stipulating to such an appointment shall be entirely responsible for compensation of such an appointed person. Any objection to a Child Custody Evaluation or investigation by a specific individual shall be made by noticed motion to the Court, except that any objections within Family Court Services should be made, in the first instance, to the director of Family Court Services. Further, objections to the Child Custody Evaluation or investigation by a specific individual may be made on *ex parte* notice upon an appropriate showing of need. (Effective 7/1/08, amended 1/1/13)

**5.1.32 Contact between Court Child Custody Recommending Counselor (CCRC) and Minor Children.**

- (a) The professional should inform the minor that his or her parents may read the report;
- (b) The professional who sees the child with one parent should see the child with the other parent unless there are serious and substantiated allegations of abuse or criminal conduct between the parent and the child, and the investigator, mediator, or other mental health professional determines that such an interview would not be in the child's best interests;
- (c) Interviews with siblings may be together or separate in the discretion of the investigator, recommending counselor, or other mental health professional conducting the investigation or evaluation;
- (d) Child Custody Evaluations should be based whenever possible on interviews with both parents. In circumstances where one (1) parent is unavailable for interview, the recommending counselor, court investigator or other mental health investigator may conduct an interview with one parent alone, and may make a recommendation based on all of the information available to the counselor, investigator or other professional;
- (e) Interviews with children for mediation cases shall be conducted per the Order of the Court or at the discretion of the Child Custody Recommending Counselor;
- (f) For each child interview conducted by Family Court Services for Child Custody Recommendation Counseling/Mediation there shall be a \$100.00 fee collected from each parent prior to the interview. Please refer to section 5.1.26 for additional information regarding the payment of fees.

### **7.2.2 Fees and Commissions in Advance.**

(a) **Decedents Estates.** There is no authority for the payment of any fees or commissions in decedents estate in advance of a court order authorizing the same, unless the written consent of the residuary beneficiaries is filed with the Court and the amounts paid are reasonable and proper or unless it can be shown that payment of such fees was to the benefit of the estate.

(b) **Trusts.** Fees or commissions shall be paid only after the services to which they relate have been performed. The payment shall be in conformity with the compensation provided in the trust instrument, if any, or otherwise be reasonable in amount.

(c) **Guardianships and Conservatorships.** Periodic payment of fees or commissions may be made with prior court authority pursuant to Probate Code § 2643. Until the final account is settled, the Court is unable to fix the total amount of statutory fees or commissions. Any allowance made before that time shall be low enough to avoid the possibility of overpayment.
